

## QA-STAGING ENV HEALTHCHECK Usage Document

### STEP 1: Registration

The diagram illustrates the registration process flow. It starts with a login/register screen on the left, which has a 'MENU' button at the top right. Below the menu are two input fields: 'MMT ID' and 'PASSWORD'. At the bottom are two buttons: 'LOGIN' and 'Register'. The 'Register' button is highlighted with a red border. An arrow points from this screen to the registration form on the right. The registration form also has a 'MENU' button at the top right. It contains four input fields: 'MMT ID', 'PASSWORD', 'MMT EMAIL ID', and 'Proj Email(Case Sensitive)'. At the bottom are two buttons: 'REGISTER USER' and 'Cancel'. A 'Select Application' button is visible to the right of the first two input fields.

Registration Page: All fields are mandatory.

#### NOTE:

Team DLs in MMT are case-sensitive. Enter Team Delivery List email exactly as it is.

STEP 2: On successful registration, you would be logged in.

STEP3: LOGOUT once and LOGIN again

Enter your LDAP credentials for logging in.

YOU ARE GOOD TO GO. In case of any issues, kindly revert back to [shubhankar.raj@go-mmt.com](mailto:shubhankar.raj@go-mmt.com)
